Dave,

I am writing to thank you for the chess board which you gave to me last month. It will be very helpful this coming year as I serve in my position of Badger Mountain Elementary chess coach.

I am also writing so that you may notify the chess organization which so generously makes these teaching chess boards available that you have given me your board, to use in my capacity as chess coach, and thus need to be furnished with a new one.

Please let me know if there is anything further I can do to help.

Best Regards,
