Dear Mr. Merrill:

Hawthorne PTA 12.4.7 gratefully acknowledges the donation of equipment provided by Washington Elementary Chess Champions to help us launch a chess club at Hawthorne Elementary School. We have received the following:

- 1 demonstration board/teaching kit
- 2 chess clocks, 1 analog and 1 digital
- 20 chess sets in individual zippered bags
- 20 chess mats

This equipment will enable our teachers and students to form The Hawthorne Chess Club and begin regular meetings in September. Several staff members at Hawthorne are willing to supervise this program and provide instruction to students. We have many students who are interested in learning or improving their chess skills.

We are proud to be official sponsors of The Hawthorne Chess Club. This PTA was granted IRS tax exempt status under section 5019(c) (3) on October 15, 1997. Our federal employer identification number (EIN) is 91-1165121.

Thank you for making this wonderful opportunity available for our students!

Sincerely yours,

Joanne Meilink
