

## **Scoring**

Please...

Set clocks to 10min each (5:50)

Players should come up together record their score

Verify their score and their opponent's score

### **Score keeper should watch and verify**

Verify there are never two 0 or two 1 on one row

Verify the names of the players not just board \*

At the finish of the 5<sup>th</sup> round and after scoring is done, present each player with a medallion, a hand shake and a job well done in the Washington State Elementary Chess Championship

## **Judges**

As players finish 5<sup>th</sup> round they bag their pieces.

Thank you.

\*Remember do not bias the players scoring. Always ask for the persons name and board # and their score.
