Dear Dave,

We would like to take this opportunity to say a hearty "Thank you" from the students and staff of Waitsburg Elementary School for your generous donation of ten chess and boards sets. They will be a wonderful addition for our third year chess and checker tournament.

Each year of the tournament our students have been learning more about the games of chess and checkers. The fourth and fifth grade students who are involved have also been learning the true meaning of sportsmanship.

Again, your support of Waitsburg Elementary's chess and checker tournament is most appreciated.

Sincerely,

Margie Douglas
