**Subject:** Chess Board Donation

Good Morning,

We spoke on Monday, April 23, 2012 via telephone regarding a donation of chess boards to a new chess club that we are starting in Grays Harbor County. I want to thank you for your generous donation of 20 chess sets. We are excited about getting a chess club for elementary school children up in running, as currently we do not have one in our community. Below is the information that you requested in order to make the donation.

Satsop Elementary School  
P.O. Box 96  
Satsop, WA 98583  
Marsha Hendrick (contact person)

Ms. Hendrick is the school's principle and has agreed to sign for the chess sets. I have explained to her that once the chess sets are received that we will need to draft a letter acknowledging the donation and that will not be a problem.

Thank you for your willingness to help our small community offer a chess club to our elementary students.

Sincerely,

Kellie Walker
